## **1. Admissions Policy**

- 1.1** We welcome students of all abilities, nationalities and religions who, in the school's opinion, will benefit from the rigorous academic, personal and social programmes on offer. We are proud of our visible commitment to diversity and international mindedness.
- 1.2** We take our responsibility for your child's academic, social and personal growth very seriously. In order to serve your child's individual needs and to support his or her transition to our school, it is important that we have complete information regarding previous academic experience and pastoral welfare.
- 1.3** Our school actively seeks to nurture the holistic development of your child. Where your child has a gift or talent then this should be identified and recorded on the online application form.
- 1.4** The school provides a rigorous international English-language education. Although fluency in English is not a criterion for admission, assessments are set in the English language.
- 1.5** The school is inclusive and has an inclusion support programme that seeks to address the individual needs of all students including those experiencing special educational needs and disabilities, the gifted and talented and English language learners. Parents or guardians of any applicant having a specific known need must submit complete reports with their application. These might include Individualised Education Plans (IEPs) or other reports from health professionals. In the case where a child's specific need has not been previously identified, the school reserves the right to review the situation in order to assess the capacity to address his/her needs within their existing level of provision.
- 1.6** The school adheres to UAE law and KHDA guidelines. Please refer to Parent School Contract, Section 1

## **2. Admissions Procedures**

- 2.1** Applications for admission are accepted at all times during the school year. Applications must be completed online through the school website. If there are no places available at the time then the application is placed onto the school's waiting list. Applications on the waiting list are not automatically moved to the next academic year and applicants are requested to re- apply for each year.
- 2.2** When a place becomes available then the school will contact the first eligible applicant and invite them to attend an assessment.

### **2.3 Selection Criteria**

Selection is based on multiple criteria. These are: -

- Performance in the entrance test. Pre-KG, KG1, KG2, FS2 and Year 1 applicants have assessments in English and Mathematics and all other grade/year levels have CAT4 digital testing.
- Pre-KG, KG1, KG2, FS2 and Year 1 applicants are also assessed for school readiness. They must be toilet trained and have a level of independence.
- Past school results and report.
- Face to face interview, if required, with the Admissions Officer /School Counsellor/ Academic Co-ordinator / School Principal / or other designated school staff.
- Age appropriateness for the year/grade level to which admission is sought.
- Transfer Certificate from the previous school.
- Priority will be given to siblings of those who have secured admission to the school.
- Priority will be given to siblings of students of determination who have secured admission to the school.
- Priority will be given to applicants from Raffles Early Childhood Centres.

- Students requiring EAL support to access the curriculum may be admitted FS2/KG1 to Year 9/Grade 8. For students applying for EAL support from Year 10/Grade 9 onwards, the applications would be discussed with the Head of Secondary and parents advised accordingly, as these are upper Secondary Schools year levels. Students who are new to English or have not been schooled with English as the primary medium of instruction can avail of this support. The admissions team is able to decide if further assessment or support is required, based on initial assessment. Parents will be advised accordingly.
- The child's previous curriculum is taken into consideration as well as limitations with regards to transfer dates for local transfers as defined by the KHDA.

## 2.4 Procedures for Assessment

If this is not possible then the assessment will be undertaken online under the supervision of a qualified teacher, where applicable. For applicants currently **outside UAE** abroad assessments can be arranged. The evaluation and year placement will be done by the school. Assessment fee is applicable for both onsite and abroad assessments.

## 2.8 Admissions Policy for Students with Additional Needs:

Our policy is in line with Federal Law 29 (2006) and the aims of the Dubai Inclusive Policy Framework 2017, regarding the education and outcomes of students experiencing special educational needs and disabilities (SEND).

### **Students of Determination experiencing Special Educational Needs and Disabilities (SEND):**

All placements are subject to availability of spaces. Admissions for students of determination is not conditional on a medical diagnosis. Any new applicant with identified specific educational needs and disabilities (SEND) will be referred to the Leader of Provision for Inclusion. The department of Inclusion Support will go through the reports and arrange to observe and assess the child, making appropriate recommendations to the admissions department thereafter.

The final decision regarding admission will be taken collaboratively between the Principal, Leader of Provision for Inclusion and other members of the school leadership team. This team will evaluate if the school is adequately equipped to meet the needs of the child and recommend whether the admission offer should be full or partial (in partnership with another specialist school or provider) or if the school is unable to provide a place currently.

## 2.9 Policy Review

This policy is to be reviewed annually, though; any deficiencies or weakness in admissions will be remedied without delay. The Principal and CEO (on behalf of the Board) will undertake an annual review of the Admissions policies and procedures and of the efficiency with which the related duties have been discharged.
